

Iberian award for the most outstanding Doctoral Thesis in Rheology

Under the auspices of the Portuguese Society of Rheology and the Spanish Rheology Group (RSEF and RSEQ)

The Portuguese Society of Rheology (SPR) and the Spanish Rheology Group (GER / RSEF and RSEQ) will award, every two years, an Iberian prize to the most outstanding Doctoral Thesis in Rheology, guaranteeing the provision of funds for the prize.

The awarding of the prize will take place during the Iberian Rheology Meeting, IBEREO.

- Candidates must be members of the SPR or the GER for at least one year at the time of application.
- The Award Committee will be appointed by the SPR and the GER.
- The final decision of the Award Committee will be known at IBEREO 2026, after a 15-minute presentation of the shortlisted candidates.
- The selection of candidates for the 15-minute presentation at the IBEREO 2026 Congress will be made before 15 July 2026 and will be communicated to interested parties by the same date.
- The prize will consist of 600 Euros and a Diploma, and may be shared by a maximum of two candidates.
